

TAXES ASSESSED ON CORPORATIONS

Commission Announces Its Valuations on Public Service Companies.

STATE REAPS LARGER SUM

Gets \$63,250.48 More Than Last Year—N. & W. Railway Again Leads.

Announcement was made by the State Corporation Commission yesterday of its assessments for taxation in 1912 against the franchises and properties of all the public service corporations operating in Virginia excepting the light, heat and power companies, gas companies and water companies. It is found that the total increases on assessments over 1911 are \$63,250.48. Additional taxes to this amount will be repaid by the State from these corporations.

No general raise is made on property valuations this year, the rate of assessment on roadbed and track and other property being practically the same. The increase is due to the natural expansion of business done in Virginia, making gross earnings larger and increasing the value of property held.

The Taxes They Will Pay.

The classes of public service corporations are assessed with taxes as follows:

Steam railroads.....	\$946,153.72
Mining and lumber roads..	2,274.43
Electric railways.....	72,061.76
Express companies.....	26,958.48
Telephone and telegraph companies.....	58,531.43
Steamboat and steamship companies.....	9,941.29
Sleeping car companies.....	5,141.78
Canal companies.....	3,250.57

Total.....\$1,122,213.78

As before, the Norfolk and Western Railway Company is the State's largest taxpayer. This year that road will pay into the State treasury the sum of \$347,145.84. The Chesapeake and Ohio Railway Company is second and is assessed \$200,554.37. Third is the Southern Railway Company, which will present the Auditor of Public Accounts with a check for \$135,622.88. Other railroads will pay this year as follows: Atlantic Coast Line Railroad Company, \$24,094.24; New York, Philadelphia and Norfolk Railroad Company, \$30,807.11; Seaboard Air Line Railroad, \$28,547.59; Washington-Southern Railway Company, \$16,675.35; Virginia Railway and Power Company, \$27,643.72.

The Southern Bell Telephone and Telegraph Company of Virginia, which has changed its name since the assessment was dated, will pay \$32,481.22.

RICHMOND MAN GOT NO LICENSE

Howard L. Anderson Found New York Bureau Closed for Columbus Holiday.

A special dispatch from New York last night said: Howard L. Anderson, a young lawyer, of 215 East Franklin Street, Richmond, and Miss Alice Boatwright, of New Canton, Va., who were married last week at Richmond College, were arrested by the city clerk's office, who have charged them with license to impudent couples.

They had come all the way from Richmond to be married in the Church Around the Corner. Miss Boatwright's brother, Lieutenant W. P. Boatwright, of the Coast Artillery, had been married there two weeks ago. She wanted to be married in the same place. They forgot about Columbus Day, which was a holiday here, and, after a futile chase after Mr. Scully, went to the Hotel Seville to wait with relatives for Monday to roll slowly here.

I Am Willing To Prove I Can Cure You

To That End I Am Giving Away \$10,000 Worth of Medicine

In order to show beyond all doubt that I am in possession of a medicine that will cure kidney trouble, bladder trouble or rheumatism, I will this year give away ten thousand dollars' worth of this medicine, and any one suffering from these diseases can get a box of it absolutely free. All that is necessary is to send me your address.

I don't mean that you are to use a part of it or all of it and pay me if cured. I mean that I will send you a box of this medicine absolutely free of charge, a gift from me to the Uric Acid sufferers of the world, so I can show them where and how they may be cured. I will not expect payment for this free medicine, nor would I accept it now or later if you sent it. It is free in the real meaning of the word.

For twenty-five years a quarter of a century—I have been trying to convince the public that I have something genuine, something better than others have for the cure of stubborn, chronic rheumatism, for torturing kidney backache, for annoying calls to urinate. But it is hard to convince people—they try a few things unsuccessfully and give up all hope and refuse to listen to any one thereafter. Happily I am in a position now to demonstrate to sufferers at my own expense that I have a medicine that cures these diseases. I don't ask them to spend any money to find out; I don't ask them to believe me, nor even to take the word of reliable people, but all I ask is that they allow me to send them the medicine at my own cost. That is surely fair.

To this end I have set aside ten thousand dollars, which will be used to compound my medicine. Much of it is ready now to be sent out, all of it fresh and standard. There will be enough for all sufferers, though there be thousands of them. And any one who needs it can get some of it free. But in order that I shall know that you have a disease for which this medicine is intended, I ask you to send me some of your leading symptoms. If you have any of the symptoms in the list printed here you need my medicine, and if you will write me I will gladly send you a box of it free, with full directions for your use. Look the symptoms over, see which symptoms you have, then write me about as follows: "Dear Dr. I suffer symptoms number—here put down the numbers, give your age, full address, and send it to me by registered mail to Dr. J. Frank Lynott, 215 Douglas Building, Chicago, Ill."

The ten thousand dollars I am spending for the compound of my medicine is a part of the money I am giving to the cause, for the postage of medicine I send you will be fully prepaid at my expense. From day to day I receive orders for the compound of my medicine. Just let

ONE TOUCHDOWN MADE ON MEDICOS

A. & M. Wins After Stubborn Battle by Score of 7 to 0.

[Special to The Times-Dispatch.] West Raleigh, N. C., October 12.—In a slow but stubborn battle, A. & M. defeated the Virginia Medical College of Richmond, to-day by the score of 7 to 0. The only touchdown was made in the first quarter, when the Meds kicked off and advanced the ball twenty yards. Spencer went through the Meds' line for twenty yards. After a number of short gains, A. & M. lost the ball on downs, and the Meds kicked forty yards and Page returned twenty yards. After this, A. & M. made a number of short gains. With the ball on the Meds' thirty-five-yard line, A. & M. gained thirty yards on a beautiful forward pass, Spencer to Champion, and Osborne went over on the next play for a touchdown. Hurt kicked the goal.

The next three quarters were spent in a stubborn fight up and down the field, and it was evident that the intense heat was telling on both sides. The Meds were in possession of the ball only five times during the entire game, and only one time did they make first down. They found it necessary to punt the ball back up the field three times, and the other time were unable to penetrate the A. & M. line, the ball going over on downs. On the other hand, A. & M. found no difficulty in making steady gains and played on the offensive for nearly the entire game, and the ball was always in the Meds' territory.

Twice during the game A. & M. came dangerously near scoring again, once in the second quarter, when A. & M. advanced the ball to the Meds' twelve-yard line, and tried to kick a field goal, but failed to do so, and the Meds punted back out of danger. The next near score came in the last quarter, when A. & M. took the ball to the Meds' three-yard line, but the "Doctors" took a brace and held the Red and White team for downs, and again punted the ball out of danger. The whole medical team put up good resistance, but was unable to meet the heavy onslaught of the A. & M. eleven, and the Red and White seldom failed to make first down. However, the Medical College line held wonderfully in places, which accounts for the score not being any larger.

On account of the extreme heat there were not many features except the stubborn resistance of the medical line in "pinches," and the playing of Walker, also of Champion, Osborne and Page for A. & M.

[Special to The Times-Dispatch.] Lynchburg, Va., October 12.—The Rivermont Athletic Club ran rough shod over the Belmont Athletic Club on the local gridiron here this afternoon, winning by the score of 18 to 6. The goal of the locals was never in danger as their superior line drove through the visitors, leaving big holes at every rush. Neither side could use the forward pass to advantage. The locals out-weighted Roanoke, and the locals had an easy victory.

Philadelphians, Pa., October 12.—Because Jourd failed to hold the ball on a forward pass on Swarthmore's goal line, Pennsylvania was defeated by Swarthmore to-day by the score of 6 to 2. Swarthmore in scoring its touchdown carried the ball eighty yards by as grand rushing of the ball as has been seen for a long time. Their line at times crushed that of Pennsylvania, and McKissick, the sensational quarter, made some wonderfully fine gains. Swarthmore played with a spirit born of confidence. Pennsylvania was crushed offensively and for the better part of the game was kept on the defensive.
